

ManiDental is committed to the safety and care of our patients and staff, especially during this time of the COVID-19 (Coronavirus) virus. We have always taken great measures to implement the highest standards related to infection control, sterilization policies, and communication. We are taking extra steps to ensure that our dental office environment has clean surfaces, and we continue to monitor all guidelines provided by the American Dental Association and the Centers for Disease Control and Prevention in regards to the COVID-19 virus.

For the safety of our patients and staff, we are asking all patients to help reduce the potential spread of the COVID-19 virus by regularly washing your hands and avoiding contact with those who have or are showing signs of the illness.

Upon your arrival at ManiDental, please call the front desk at 336-835-3337. Our staff will ask you the following questions:

Have you traveled in the past 14 days?
Have you experienced any of the following symptoms:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Have you been diagnosed with COVID-19?

Has anyone you have been contact with been diagnosed with COVID-19

Have you been social distancing yourself and/or wearing a mask in public places?

Have you attended any protests, rallies, or mass gatherings in the past two weeks?

Are you over the age of 60?

Do you have any of the following:

- Diabetes
- Heart Diseases
- Lung Disease
- Kidney Disease
- Auto Immune Disorder

These questions are designed to help us make a determination regarding your health and our ability to treat you on the day of your appointment. If it is determined that we are not able to treat you on the day of your appointment we will work with you to reschedule your appointment in a timely manner.

We are sorry for any inconvenience and sincerely appreciate your cooperation and support with these safety guidelines.

Dr. Manigault and the staff of ManiDental.
