## ManiDental Family Practice Community Outreach

ManiDental Family Practice is excited to offer a 5% discount on dental services to our fellow service-based workers and their families. We look forward to providing first tooth to last tooth dental care to those who also serve in our home community. Service-based jobs that qualify are police, fire departments, first responders, veterans, health-care workers, hospital employees, and service-based not-for-profits at ManiDental's discretion.

To qualify for this discount, the head of household will come to the office with needed employment or retirement records from any of the services-based jobs that qualify. This discount needs to be applied prior to any work being completed. It will apply regardless of dental insurance status. Please remember, that ManiDental Family Practice is not in network with any insurance companies, but as a customer service, we help you file claims. If the family has the ManiDental Membership program, the maximum discount will be 10% total per family member. There will be no retroactive discounts applied to accounts. We look forward to seeing you soon. Please contact us if you have any questions about this program or any of the services we provide.
